

Did you know your Medicare Advantage Insurance
may have out-of-pocket expenses?

GTL CAN HELP!

GTL's Hospital Confinement Indemnity Coverage:

Should You Have It?

A hypothetical situation:

• **Meet Sheila**

Sheila's highly rated Medicare Advantage Plan has a **\$300 per day** inpatient hospital co-pay for days 1 through 6.

Sheila experienced a 6-day inpatient hospital stay. Her Medicare Advantage* co-pay was **\$1,800** (\$300 co-pay x 6 days = \$1,800).

How did Sheila's GTL hospital confinement indemnity coverage help lower her out-of-pocket costs?

GTL's hospital indemnity coverage pays a cash benefit for each day Sheila is in the hospital.

.....

Sheila's GTL hospital indemnity coverage paid her a \$300 cash benefit for each day she was in the hospital (up to 6 days maximum). The cost of her hospital indemnity coverage is \$25.14 per month (based on age 65).**

.....

Since Sheila was in the hospital for 6 days, she received **\$1,800 in cash benefits** which she used to help cover her Medicare Advantage co-pay!

Great News!

Sheila's GTL inpatient hospital benefits restore an unlimited amount of times after 60 days without hospital confinement, so she may use her hospital confinement indemnity coverage again in the future!
